

First Aid Inspections

Follow these steps when inspecting your own First Aid Kits and First Aid Rooms:

- In your internet browser, click on <https://fast-rescue.com/first-aid-kit-checklists/>
 - ✓ Our checklists are consistently reviewed for accuracy against the current regulations, so you can rest assured that the list you use is up to the required standards
- Scroll down to the province for the kit you are inspecting
- Move down the page to the links for ordering replenishments
- Click on the appropriate link for the first aid kit or room you are inspecting.
- This will open up the inspection page. Move down to where you can download the inspection form and the inspection sticker.
- Inspection Sticker – Download the sticker and print on shipping labels (5 ½" x 8 ½"). Stick them on your first aid kit. Sign and date the sticker whenever you check the first aid kit or room.
 - ✓ Stick them on your first aid kit. Sign and date the sticker whenever you check the first aid kit or room.
- Inspection Form – Download the form to use when you check your first aid kit or room
 - ✓ Required column – shows the quantity you need to have of each item in your first aid kit/room to meet the requirements
 - ✓ On Hand column – note the quantity you have in the first aid kit/room presently
 - ✓ Order column – subtract the On Hand column quantity from the Required column quantity and note this number in this column. i.e. if the required quantity is 4 and you have 1 on-hand, then you need to enter at least 3 in the Order column. You can enter more than 3 but not less to meet the regulations.
 - ✓ Once you are finished, either fax or email the form to the fax/email number noted on it
